Environmentally Preferable Procurement

Organic Coffee

Sustainable Cuisine

Conservation Beef

Recycled carpets

Amenities

Cleaners

Office materials

Retail

As Opposed to.....

- Clearcutting for coffee plantations
- Feedlots, antibiotics, manure runoff
- Overfishing & bycatch

Visiting National Parks Gobbles Energy

Reducing Our Energy Footprint

- Boiler, chiller, HVAC
- Controls
- Food Service
- Renewable Energy
- Lighting

Transportation

Solid and Hazardous Waste

Solvents

Oil Filters

CFCs

Waste Oil

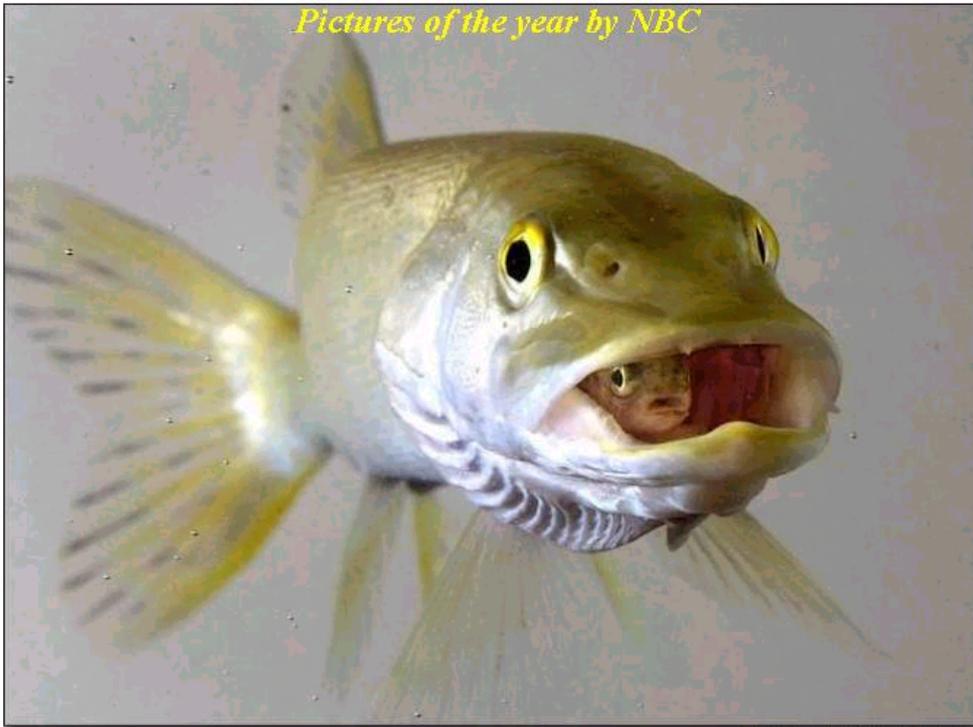

Ethylene Glycol

Parts washers

Sustainable

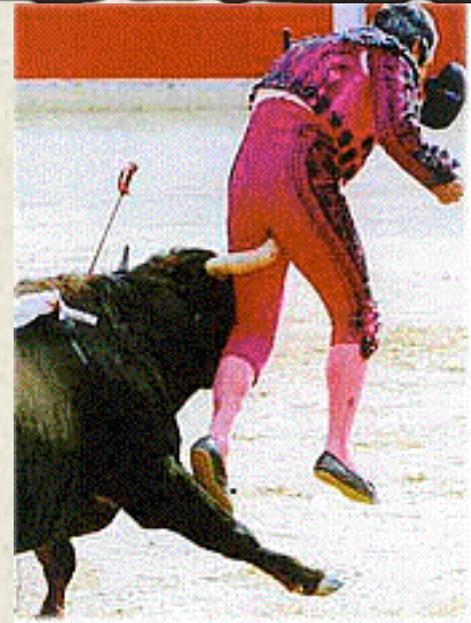

Design

It ain't easy purchasing green:

- EPP policy with goals and targets
- tool to determine if product is preferable
- fuel efficient vehicles policy and guidance
- environmental analysis of cleaners
- letter to contractors
- capital expenditures EIC
- policy for vendors on product packaging
